

Bannah Bunka Neko-musume (All Purpose Cat Girl Nuku Nuku)

http://www.animeclub.us/anime/product_info.php?products_id=78

Sort of an alternate telling of the OVA...with a twist. After starting out in a new school and meeting her rather zany classmates, Nuku Nuku is forced into fighting the dangerous (read as "absurd") robots of the Mishima corporation`s inner circle (all in the most ridiculous costumes since Kishin Corps), led by the evil mastermind (read as "blithering-idiot-in-the-goofiest-costume-of-all"), Hell Mishima. Their plans? Why, to take over the world, of course!
