What is it that come and go in those dried sorrowful eyes?
things lost
things gained
And what is it that he saw in the crevice of the vast Internet?
Among the illusions, the existing, and the symbols, what is he thinking
now?

The crisis happened when a super computer was being transported from Japan to America, it was robbed by a hacker who calls himself 'America King'. America King was scheming to use the virus developed on the super computer to cause the explosion of a certain building. BPS, Battle Programmer Shirase, who was requested to settle the crisis, confronts the super computer with his cellphone.
